RE: Request for schedule change  
12<sup>th</sup> Street Landfill, Kalamazoo River Superfund Site Operable Unit #04  
Plainwell, Michigan

Dear Mr. Gay:

The United States Environmental Protection Agency (EPA) has received your request for a change to the Remedial Design (RD) and Remedial Action (RA) Schedule for *12th Street Landfill, Kalamazoo River Superfund Site Operable Unit #04, Plainwell, Michigan*. EPA has considered your request and based upon the points that you raise in your letter, EPA does not believe that it is appropriate to move the bulk of the RA into 2010.

If you have any questions about this letter, please contact me at (312) 353-8983.

Sincerely,

Michael Berkoff  
Remedial Project Manager
